# Private Lessons Voice, Piano or Guitar

The ultimate confidence builder. One-on-one instruction provides support, coaching and guidance for young artists to express themselves through music, while learning the discipline and beauty of the art form.

Supported by their teacher and studio-mates, our music students share their gifts in a end-of-year Formal Recital for parents and friends.

*Monthly Tuition \$130  
Each lesson meets one half hour,  
once per week.*
