Explore the genres of Hip Hop (street dance to contemporary music) and Musical Theatre (singing, dancing, stage movement and story-telling.) This is a great addition to your full-year dance or music training. We recommend that this program *supplement* full-year training, as the fundamental techniques will be reinforced in our year-long dance and music programs.

The Hip Hop and Musical Theatre Program consists of two six-week sessions (one in the Fall and one in the Spring.) Students must enroll in the FULL program, attending BOTH Fall and Spring sessions. Classes meet 60 minutes, once per week during the session weeks.

Fall Session – October 15-November 19, 2019

Spring Session – March 17-April 28, 2020 (plus Recital Week)

These classes are leveled by age.

Level I – ages 5-7

Level III – ages 10-11

Level IV – ages 12 and up

Hip Hop – \$150

Musical Theatre - \$190

Musical Theatre IV (90 minutes) - \$260

Fees include BOTH Fall and Spring sessions, and are due October 1.

(These are in-demand workshops, often with a waiting list. So, no refunds will be issued for students who drop/cancel these workshops after October 1).
