

A PLACE FOR YOU

From Every Town, This is our Village

A strong foundation. A creative mind.

A kind heart. A generous spirit.

Positive role models. Lifelong friends.

All the things you want to give your child.

Let us be your village.

Since 1966, Town & Village has been nurturing young people from towns all across Central Kentucky. Through the performing arts, your child will learn important life skills to carry with them far past childhood.

Developing strong bodies, creative minds, confident and caring spirits - that is the power of a performing arts education in your child's life. It's the gift you can give them....to last a lifetime.

OUR MISSION

Life Skills through The Arts

At Town & Village, we give our students a sense of belonging, to something larger than themselves, so that they can make a positive impact on the world.

We Believe:

...a sense of belonging is created by building confidence – knowing that you are worthy and the incredible value you can contribute to your community

...a sense of belonging is created by building character – our values include instilling accountability, respect, integrity, perseverance and empathy

...making a positive impact on the world can be done with grand gestures, but perhaps even more effectively in small moments of kindness – both are important to us

...it takes dedication, hard work and commitment to make an impact on the world – we enjoy teaching these qualities through the performing arts

...our graduates will go on to make meaningful contributions to their families, the community and the world
