# OUR MISSION

## Life Skills through The Arts

At Town & Village, we give our students a sense of belonging, to something larger than themselves, so that they can make a positive impact on the world.

We Believe:

...a sense of belonging is created by building confidence – knowing that you are worthy and the incredible value you can contribute to your community

...a sense of belonging is created by building character – our values include instilling accountability, respect, integrity, perseverance and empathy

...making a positive impact on the world can be done with grand gestures, but perhaps even more effectively in small moments of kindness – both are important to us

...it takes dedication, hard work and commitment to make an impact on the world – we enjoy teaching these qualities through the performing arts

...our graduates will go on to make meaningful contributions to their families, the community and the world

## A Flexible Class Plan for COVID-19

These are uncertain times, but you won't have to worry about an artistic outlet for your child. T&V is always in session...in-person or online.

# THE PIVOT PLAN

- For 2020-21, our season schedule will be completely “pivotal” - meaning that the entire schedule or portions of the schedule can be delivered in-person or online via Zoom, depending on the circumstances.
- Classes will remain at their SAME CLASS TIMES, all year - no matter whether they are being delivered in-person or online.
- The “T&V Traffic Light” has been developed to serve as our guide as to when classes will pivot from one version to the other, as well as additional protocols.
- We'll also be aiming for an end-of-year Recital Experience to celebrate our students. This will also be a “pivot-able” experience - one that will be carried out in-person, virtually or a combination of both, depending on current circumstances.

# SAFETY IS OUR PRIORITY

## Safety Protocols for COVID-19

Our first priority is the health and safety of our students, families, and team. Every precaution will be taken to keep everyone safe, healthy and happy at T&V.

- All studios have been taped so that each student has their own 6 foot by 6 foot dance space. We will spend much of the class in our dance spaces, so that at certain times of year we may be able to remove our masks.
- Class sizes are limited to 6, 8 or 12 students, depending on which studio they are in. Masks are required when not in the classroom. This includes going to and from vehicles, moving through the hallways, going to the restroom.
- Masks may be required at certain times, per the "T&V Traffic Light" T&V Staff and Faculty will always be in a mask.
- Parents of Pre Dance students only will be allowed in the building. All other students will participate in our Drop-Off/Pick-Up Program. Dressing Rooms will not be available for use. All students must arrive dressed to dance with hair secured.
- All In-Class activities will be No-Touch. No holding hands, high-fives, partner work, etc. Props will not be used. Across-the-floor exercises and barre work will be limited. Studios will be sanitized between classes.
- Restrooms will be sanitized as often as possible. This is in addition to our regular nightly cleaning.

# THE RECITAL EXPERIENCE

## Celebrating our Students' Achievements

As part of our Pivot Plan, we have designed our Recital to be able to be delivered in a number of ways, depending on the circumstances.

- Students will prepare one or two recital pieces, depending on their class. (See Class Pages for details).
- Recital pieces will be completed in Dress Code for 2020-21, instead of a Recital Costume and since we won't know what exact Recital Format we will be going with until closer to Recital Time.
- Additional accessories may be added for certain classes, at an additional fee to be determined as we near Recital Time.
- If an In-Person Recital Experience is possible, that will be our first goal. This may be a regular recital or a socially distanced recital, depending on circumstances.
- Other options may be a Class-by-Class Recital Experience or a Virtual Recital Experience at The Bourbon Drive-In.
- We hope to finalize Recital Plans by early April 2021 and we project Recital 2021 to occur in May or June, depending on circumstances. The school year will end in April, even if Recital must be delayed until June.
