OUR MISSION

Life Skills through The Arts

At Town & Village, we give our students a sense of belonging, to something larger than themselves, so that they can make a positive impact on the world.

We Believe:

...a sense of belonging is created by building confidence –
knowing that you are worthy and the incredible value you can contribute to your
community

...a sense of belonging is created by building character –
our values include instilling accountability, respect, integrity, perseverance
and empathy

...making a positive impact on the world can be done with
grand gestures, but perhaps even more effectively in small moments of kindness
– both are important to us

...it takes dedication, hard work and commitment to make an
impact on the world – we enjoy teaching these qualities through the
performing arts

...our graduates will go on to make meaningful contributions
to their families, the community and the world

T&V Technology

While we foresee a fully in-person experience for 2021-22, T&V is equipped to handle remote learning, if ever needed.

**T&V
TECH**

- During the Covid-19 pandemic, T&V created systems and installed technology for a “pivotal” schedule - meaning that the entire schedule or portions of the schedule can be delivered in-person or online via Zoom, depending on the circumstances and at certain times, in case of inclement weather.
- Students are also able to "zoom in" to live classes from home in case of illness, or if traveling.
- We are retaining this technology for use, if needed in the future.

SAFETY IS OUR PRIORITY

2021 Protocols for COVID-19

Our first priority is the health and safety of our students, families, and team. Every precaution will be taken to keep everyone safe, healthy and happy at T&V.

- These Protocols are effective June 14, 2021 (after the Kentucky mask mandate has ended on June 11), and may be amended as guidance continues to evolve.
- Masks are optional for students. Some Faculty may continue in masks for their own comfort and to support students who choose to mask.
- Students will be distanced for both center and across-the-floor work.
- Class sizes have a limited capacity. Students remain with their classmates for the duration of their class time and do not switch rooms.
- The studio is sanitized nightly.
- Classroom activities will involve limited touch (hand-holding, high fives, etc.)
- Students will participate in our Drop-Off/Pick-Up Program, to ensure a safe and organized class transition and a quiet and focused studio environment. The lobby areas will be available for parents of PreDance I and II students only. All other parents may drop-off and pick-up students according to our Arrival/Dismissal procedures.

Get Ready for Class

Visit our Online Boutique for all your dance supply needs!

**WHAT
DO WE
NEED?**

- Dance students have a beautiful and colorful dress code. Each class level has been assigned a different color. Simply visit our online boutique and click on your class to find your class color, as well as options for tights and shoes. Boys may wear either all back athletic pants and t-shirts or can match their shirt to their class. (Boys' shoes should be black, and cannot be purchased in the boutique.)
- Music students will receive music books, handouts and supplies. Guitar students will need to supply their own guitar.
- Visit our Online Logo Wear store for t-shirts, sweatshirts, dance bags, and more!

THE RECITAL EXPERIENCE

Celebrating our Students' Achievements

- Dance students will prepare one or two recital pieces, depending on their class. (See Class Pages for details).
- Dance costumes and tights are included in monthly tuition. No extra costs!
- An optional Picture Day (in costume) will be offered, leading up to Recital to capture the memories of your Recital Experience.
- We anticipate a return to a fully in-person Recital for 2022. (However our filmed Recitals at The Bourbon Drive-In have been a fun way to celebrate our students during the pandemic!) We are still determining exactly how the new Recital Experience will be set up and where it will take place. More details will be released in Spring 2022.
- Music Students will also participate in an In-Person Recital Experience, usually a separate event from the Dance Recital.
